

Essex West Thank You Card Competition

Please read the following instructions carefully - we don't want anyone to miss out on the chance to have their design used!

Refer to the template to the left to design your card:

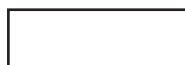

- outer keyline - is the total area for your card, you can draw right up to this line
- the dotted line shows where the text and logo will appear - the drawing can go over this but no important imagery to go behind them.

Please do not use the following to create your drawing - glitter, lead pencil or holographic/shiny/metallic paper.

Do not copy or adapt images from digital or printed materials unless copyright has been granted.

Do not use the Trefoil or the Girlguiding logo or the Section logos within the design, this will be added later in the areas marked on the template guide (see left).

Only draw on the blank template on page 2 and ensure you have filled out all your details.

Outer line
Draw right up to here.

Dotted line
Be aware logo/text will go on top of your image

Draw your design here ↓

Template
Draw in this area only

Guides Name _____

Unit _____
